Summer School

The NEWTECH Skills Center usually offers two sessions of summer school. Because of budget challenges in the State, we are not sure if we will be able to offer this experience at the time of this printing. Please watch our website for more information. www.skillscenter.com

We encourage you to sign up for the summer program of your choice. All students will receive notice prior to start date if classes are cancelled.

You may register on-site at our open house.

Note: The Aerospace Academy will run during the first session even if no other programs are being offered.
